

REFUND POLICY

Day Camps

With so many campers wishing to register this summer for our Husker Volleyball Camps, once registered and payment is made, there will be NO REFUNDS. The only exception to our NO REFUND policy will be due to illness or serious injury prior to the start of the camp session. If an application is withdrawn for any illness or serious injury up until the camp session begins and a doctor's note is provided prior to the start of the camp, tuition will be refunded minus a \$50 camp fee for the registered day camps. Any additional processing fees that are incurred through the credit card processing company are not managed by our camp and therefore, not a part of our refund policy.

Team Camp & Two Day Individual Camp

For Team Camp cancellation requests, there is a \$500 non-refundable fee with the remaining tuition refunded. Individual Camper refunds for Team Camp participants or Two Day Individual Camp participants will ONLY be given due to illness or serious injury. A letter requesting a refund must include a thorough explanation and a signed doctor's excuse note. No Exceptions. In order to cover our expenses, \$100 will be non-refundable on all individual refund requests. ALL refund requests must be written and turned in prior to the camp you are planning to attend. Any additional processing fees that are incurred through the credit card processing company are not managed by our camp and therefore, not a part of our refund policy.

COVID POLICY

We have implemented the following guidelines and policies to help limit the risk of Covid for our campers and staff.

- Symptom checks will be required prior to camp check-in via a symptom/risk form.
- We will require daily Covid symptom checks for campers and staff.
- Masks will be required during entire camp sessions for all staff and campers.
- Hand sanitizer stations will be available at all gyms.
- We will maintain smaller training groups for the camp sessions, thus limiting exposures.
- Balls will be sanitized between each session.
- We have reduced our total camper and group numbers to further limit exposures.
- We have limited overnight stay camps to Team camps only, with teams staying together in smaller groups.
- Any camper exhibiting symptoms that could be attributable to Covid will be sent home immediately after calling parents.
- We will not be busing to other sites with our Day Campers or Two Day Individual Campers.
- TEAM CAMPERS WILL PROVIDE THEIR OWN TRANSPORTATION OF THEIR GROUPS TO OTHER SITES.

Athletic event protocols will be governed by Nebraska Athletics, Big Ten, and NCAA guidelines and policies. These guidelines may change as COVID-19 conditions evolve and in keeping with corresponding federal, state, and local measures. Any event can be cancelled without notice at any time, even if previously approved, at the university's discretion in the interest of health and safety.
